

INTERNATIONAL CONFERENCE of SPORTS CAR CLUBS

1976 LICENSE BULLETIN

Enclosed is your application for a license for the 1976 racing season. The DEADLINE for returning all applications and fees is January 31, 1976. I will not hold any numbers beyond that date unless requested to do so in writing. If you are requesting a new number, I will hold up your application until I know whether you will be able to receive the new number requested.

You may mail your application any time after you receive this bulletin. I will not mail you your license until the 1976 rule books are ready. This means that you will not receive your license until after February 15, 1976. However, please don't delay in getting in your license renewal, as I can not process all 468 in one night!

New ICSCC 1976 rule books will be sent to all renewing drivers and to new drivers. Additional copies can be purchased for \$2.00 each.

Renewing novices will receive record cards for non-ICSCC events with their license renewal. However, you will not receive new log books.

When an ARR driver is upgraded to IRR, he/she must report to Woody Woodburn, the ICSCC License Director, at the track. He will issue you an IRR number at no extra charge.

A physical examination is required every second year. If a physical is needed your application will be stamped "Medical Required". All drivers 50 years of age or older must have a physical and EKG every year. Your application will be so stamped.

The number sequence has changed slightly as follow:

IRR FV:	00-09; 0-99
