ADDITIONAL INFORMATION

Deer Park Race Track is a 1.5 mile airport circuit. NWMS has conducted ICSCC races at Deer Park since 1968. Entries at Deer Park average approximately 100, so 1) More track time is available for practice, 2) No long lines at registration and tech inspection, 3) Less hassle for racers and more racing fun for racers. Paddock is paved and uncrowded. All portions of Deer Park Race Track are visible from racing pits. Special Formula Car Races are a tradition at Deer Park; Overall Point Leader in Special Formula Car Race I and II on Labor Day weekend will receive "Spokane Cup" Silver Perpetual trophy and special award. Trophies awarded to winners of Open Wheel and Closed Wheel Novice Races.

FROM THE CLASSIFICATION COMMITTEE

Add the following to Appendix A of 1977 ICSCC Rules:

ATTENTION ALL DRIVERS:

The race schedule as published in the last ICSCC bulletin for the May 14/15 race at Westwood has been extensively revised. All groups will have 2 practice and/or qualifying sessions Saturday and a warm-up or qualifying session on Sunday, as appropriate. All races will be scheduled for 30 minutes.

The McLoughlin Motors Championship cars and the Westwood class cars will not have separate practice and qualifying sessions. They will be grouped with their respective ICSCC classes.

The race order previously published will be used.

Jim Reid, Secretary SCCBC
