

INTERNATIONAL CONFERENCE of SPORTS CAR CLUBS

1980 LICENSE BULLETIN

The DEADLINE for returning the enclosed license application is JANUARY 31, 1980. Your number will be held until that date. If you are requesting a number change, your application will be held until after the deadline for processing.

New rule books are being printed this year, so the licenses will be returned to you later than normal, but in plenty of time for the race season. Renewing novices will receive record cards for non ICSCC events. All drivers will receive a 1980 rule book.

If application is stamped "MEDICAL REQUIRED", have it filled out completely before returning to me. ICSCC requires a physical exam every other year until age 50, then every year with an EKG.

Please TYPE or PRINT very carefully. Your race announcements depend on it!

Enclose the following items with your application for renewal:

- ✓ 1. Signed license application. (Completed medical if nec.)
2. Proof of current membership in an ICSCC member or affiliate club. Photocopy OK. Cards returned.
3. Two (2) pictures 1"x1½". Coin booth pictures OK.
4. A check (U.S. FUNDS) or money order for \$20.00.
5. 1979 ICSCC license holders need not send in license.

Fill out form completely and return to:
