

Western Speedway road circuit

SUPPLEMENTARY REGULATIONS

1. All cars must comply with a noise limit of 105 dba as per 1980 I.C.S.C.C. regulations.
2. All races will be twenty (20) minutes duration.
3. All race cars, trailers, etc., MUST be removed from the pit area by 4:30 pm on Saturday, due to the track being used for stock car racing at night.
4. All gas must be kept in approved containers. Gas is available as shown on the attached map.
5. When entering or leaving the pits, drivers must keep to the left of the designated row of pylons.
6. Lap scoring and timing facilities are out of bounds to all drivers and crews.
7. A maximum of four (4) people (including driver) will be allowed in the racing pit area.
8. Any driver entering the paddock area during a race shall be considered as withdrawing from the race and will not be allowed to re-enter the race.
9. The organizers reserve the right to change the schedule as may be necessary.
10. There will be no two wheel vehicles allowed in the paddock.
11. Any driver who needs race results, please note on the back of your entry form, or let the Registrar know on Saturday.
12. Anyone found damaging the asphalt in the pit or paddock area by jacking their car or spilling gas on it will be fined the amount of \$10.00 or be disqualified.
13. NO animals allowed in the pit or paddock area. Any offender will be asked to leave.
14. Any person withdrawing from a race, will please report to the Registrar immediately.
15. 
16. All trailers must be kept in the parking area behind the grand stands.
17. Familiarization runs will be run for those competitors new to the track.
18. A car which enters the paddock area (goes behind the pit wall) during a race shall be considered having withdrawn from the race and may not enter the race course.
