FROM THE RACE STEWARD, MARY ANN HUTTON - SIR, JUNE 27/28

A large entry enjoyed warm, sunny skies for the SIR races June 27/28. The schedule was run on time, with very good racing, and largely without incident.

In the open wheel novice race, No. 392 spun in Turn 6. No. 114 was unable to avoid the incident and hit No. 392. Both were out for the race with No. 114 sustaining significant damage.

Penalties were assessed against two drivers after race 6B. No. 170 o/w (who DNF'd) was fined \$50. for scrubbing tires on the pace lap in violation of Comp. Reg. 709. No. 26 o/w was fined \$25. for running the race without a functioning exhaust silencing system in violation of Comp. Reg. 1112. When such fines are assessed, they must be paid within 48 hours. Until paid the driver may be suspended from Conference events under Comp. Reg. 804.

FROM THE LICENSE REGISTRAR, CHERYL KINNAMAN

ATTENTION: All "X" and "Novice" drivers - if you wish to be upgraded to Senior status this year, you MUST send your second photo to the license registrar. No Senior licenses will be issued without it.
