FROM THE PRESIDENT, BILL ROOT

Oops! I'm sorry. I made a comment about all the good weather and look what happens. Rain Saturday at Westwood. But there were no major incidents and Sunday was relatively nice.

The Competition Committee voted that solid motor mounts for production cars will not be allowed. If drivers want to pursue this matter, contact Ed Howell or myself for possible presentation to the Contest Board.

A few drivers have been exceeding the 105 db noise level and Ed Howell has been doing a good job of reprimanding these drivers accordingly.

I'm looking forward to seeing you all in Seattle.
